

Thank you to everyone who auditioned for 2009 – 2010 Competition Groups. Seeing so much talent and growth in our dancers is exciting.

We have placed dancers in the groups that will best serve the growth of the individual dancer as well as the group. Unfortunately not everyone is able to make the companies or lines they may hope for. For those that didn't please ask any question you might have and continue working hard. Time goes by so quickly and the next auditions will be here before you know it.

We look forward to another wonderful year filled with much success individually and as groups!
