

C.Y.S.D. NEXT GENERATION DANCE CO.

Competition Line Fees

Competition fees can be paid in full at registration or you may choose the payment plan. If you choose the payment plan the first payment is due at registration followed by payments due the first two weeks of September thru April. Make checks payable to Next Generation Dance. This payment is separate from your class fees. It will cover entry fees and costume cost. This does not cover the cost of shoes. The studio estimates the cost each season; extra fees may be required periodically.
