

# Spring recital

**RECITAL** – Next Generation Dance holds an annual recital at the end of each year. The recital is a wonderful experience for all and gives the students the opportunity to show the value of dance lessons and have the experience of performing on stage.

This year's recital will be held on June 6 and 7, 2009. Rehearsals will be held June 3 & 4 2009 at a location to be announced.

- All students are encouraged to participate.
- Each class will learn a routine and perform it on stage.
- All dancers must purchase a costume for each dance they will perform. There will be a studio wide costume fitting on a Saturday to be announced.
- Costumes will be ordered after the costume fitting. You will fill out an order form and designate which costumes to order for your child.
- Jazz and Hip Hop costume fees are due in November.
- Tap and Musical Theater costume fees are due in December.
- Ballet and Lyrical costume fees are due in January.
- Acro costume fees are due in February.
- Tickets for the recital will go on sale in May 2009.  
If you intend to watch the show you must purchase tickets. Each family will receive one complimentary ticket. **All fees must be paid in full in order to purchase tickets; this includes all costumes, May classes and June Rehearsal fees (which are included in May's tuition). Any fees that are paid after May 15 must be paid in cash or credit card, no checks will be taken.**
- When the show lineups are posted they are final. Please understand that we have over 400 students to place in the shows. This means we have to try and place family members in the same show and we have many siblings, cousins, step sisters and brothers. We also have many requests for certain shows due to sports, weddings, graduations and vacations, we do our best to accommodate all request and we ask for your understanding of this process. The only changes we will try to fix are those who made a request and were not placed in the correct show. We have on file all the requests that were made, and if you were overlooked please contact the office.
- **Dancers are not permitted in the auditorium on the day of show.** If you are not comfortable with leaving your dancer backstage with our staff, please stay with them or bring a babysitter along.
- We must respect the rules of the venue such as no food, no drink in auditorium.
- No video taping is permitted the day of the show. There will be a professional videographer creating a video for purchase. You may videotape the rehearsal.
- New parents and dancers please contact a staff member for any questions you may have concerning the recital, we are here to help you!

I understand and agree to the above.
